About Jennifer Bagley

Jennifer Bagley is one of the most in-demand Digital Marketing and Business Strategist on the circuit. She is known for her engaging and entertaining style, as well as, her mastery level knowledge of Collaborative Marketing Strategies. Jennifer is the founder of CI Web Group, a Web Design, SEO, CRM Integration, Mobile App Development and Social Media Marketing Agency, the founder of DNet a Collaborative Digital Network and Membership System, the Owner of Sales Supply Chain Consulting and the creator of the 12 Step Road map to Accelerated results. She has been speaking professionally for over 15 years.

Audiences rave about her ability to provide immediate value to Businesses seeking to accelerate their results and grow their business. Jennifer's background includes executive experience in the areas of Supply Chain Strategy, Technology, Operations, Logistics and Distribution for Nordstrom, Tommy Bahama and Fossil. This experience coupled with over a decade of Sales and Marketing Experience has made her a powerhouse business strategist focused on bottom-line results. This is done through a careful focus on having the right technology, the proper strategy, a collaborative network and the right mindset/behavior.

WHAT OUR CLIENTS SAY

“ I have booked Jen as a keynote speaker, break-out speaker and trainer for multiple events and venues over the past decade. She consistently creates rave reviews on the value she brings as a speaker. I refer business to her monthly because I know she knows exactly what so many want to understand in the marketing, social media, web, mobile and digital world.

Jennifer Bagley has been a key player and leader on my marketing team for many many years and for that I'm thankful. Perhaps she should be on yours! ”

Tony Jeary - The RESULTS Guy™
www.TonyJeary.com

“ Jennifer Bagley is an incredible keynote speaker, business strategist and the nations social media expert. I recommend her to all my clients to transform their web presence or hire an amazing speaker. Her team of experts create incredible brand designs, websites and mobile apps. They know how to leverage CRM and Social media strategies to monetize your business across all platforms! She adds incredible insights, value and results to any project she touches, including mine! ”

Tammy Kling

Best Selling Author - CEO of The Writers Group
www.TammyKling.com

“ With an executive background in operations, logistics, supply-chain and technology and a history of creating and implementing practical and successful marketing strategies and systems, Jennifer brings a very different twist to the typical marketing consultants! ”
